Air and Cruise Combinations - Royal Caribbean International offers two options to shop and book round-trip air transportation between your port of embarkation and debarkation. We offer our online booking tool, ChoiceAir, to guests who prefer more personalized assistance. We offer professional air agents who can customize your air arrangements to fit your needs.

Both options allow you to shop and book your preferred airline, class of service (Economy, Business, First) and date of travel. Our Air Specialists are available 24/7 to ensure that your air travel is carefree.

**CHOICEAIR**

Things to know when booking through our ChoiceAir website:

- You may request seat assignments and extend your vacation either before or after your cruise. ChoiceAir Support is recommended for groups of 9 or more guests travelling together or guests with difficult itineraries that require multiple changes of aircraft to get to/from your city of origin to the port city.
- Any changes to a ChoiceAir reservation must be made through the ChoiceAir Support Desk. These changes may be subject to additional fees. In the event of airline schedule changes, it may be necessary to rebook ChoiceAir flights. Additional charges may apply.

Does The Name On My Reservation Need To Match The Name On My Passport?

Yes. It is important that the name on your reservation be exactly as it is stated on your passport or other official proof of nationality. If your name has changed since your document was issued (e.g., marriage, divorce), it is required that you update the document with the new name or provide an official supporting document of the name change (e.g., marriage certificate). Otherwise, it may result in delay or denial of boarding.

Do I Need To Check In Online Before My Cruise?

Yes! Due to government regulations requiring cruise lines to submit final departure manifests, guests are requested to complete Online Check In at WWW.ROYALCARIBBEAN.COM/onlinecheckin no later than three days prior to their cruise. If you have not completed Online Check In, you will be required to complete this process at the pier two hours prior to the published sailing time. Please note that any discrepancies may result in a delay or denial of boarding. All you need are your reservation number, last name, ship and sailing date to check in online.

How Early Do I Need To Arrive?

Check your cruise ticket for the check-in time for your particular ship and sail date. Do not plan on arriving at the pier prior to the specified time as the ship will not be ready to board guests and you may experience delays due to the official departure clearance process for the previous sailing. Cruise check-in will close 90 minutes prior to sailing. It is your responsibility to arrive on time. Guests arriving after check-in closes will not be permitted to board. For security reasons, guests are not allowed to bring visitors onboard Royal Caribbean ships in any port.

What If My Flight Is Delayed?

If you have purchased the optional CruiseCare Vacation Protection Plan, you will be reimbursed up to US$500 to cover accommodations, meals and catch-up transportation — as long as the airline delay was caused by covered reasons. Otherwise, either you or the airline is responsible for any expenses incurred to meet the ship at the next legally approved port of call, if applicable. To ensure compliance with U.S. federal cabotage laws, guests are required to contact our Guest Flight Operations at 1-800-256-6649, option #2.

Is There Any Baggage Protection?

Our optional CruiseCare Vacation Protection Plan provides up to US$1,500 in baggage and personal property protection due to loss, theft or damage. With the purchase of CruiseCare, should your bags be delayed by the airline for more than 24 hours, you will be reimbursed up to US$500 toward any purchases of necessary personal items. (See page 76 for details.)

What About Dining?

When you make your cruise vacation reservations tell us your preferred dining times based on the multiple dining times offered. Your seating time will be noted on your cruise ticket, and your SeaPass will indicate your assigned table number. If your preferred dining is not available, you may request to be added to the waiting list by contacting your travel agent or us. Dining may be cleared closer to the seating date based on availability. We recommend that you dine early if you're traveling with children. Ask your waiter about our special Kids' Menu.

What About Security?
The highest priority of Royal Caribbean is to ensure the safety and security of all guests. In order to maintain an effective and meaningful security environment and to comply with international and national security laws, regulations and guidelines, Royal Caribbean has established strict security procedures in the seaport terminals we utilize and onboard all our vessels. These measures include screening all guests and their personal property prior to boarding. We appreciate your cooperation in this endeavor.

Can I Stay Onboard Longer On Departure Day?
For certain European sailings we offer a Late Departure Program. For a fee, you can remain onboard up until 90 minutes prior to our next sailing. To learn more visit WWW.ROYALCARIBBEAN.COM/cruiseplanner.

Can I Reserve Cruises Back-to-Back?
Due to restrictions under the U.S. Passenger Vessels Services Act (the Jones Act), we cannot accept reservations for back-to-back voyages that begin in one U.S. port and conclude in a different U.S. port. In the event such a voyage is cancelled, Royal Caribbean reserves the right to cancel one of the passenger’s cruise reservations at the passenger’s expense.

Is English the main language spoken onboard?
We are a global brand offering cruises that depart from various ports around the world. Our signature service, amenities, entertainment and overall onboard experience is delivered in the English language. The required language for crew onboard is English, but guest may find that many crew members do speak other languages. There are cruises with a high number of guests from a specific region(s) such as Asia and South America, and may provide translated materials and experiences in languages other than English.
We have found that paying attention to detail provides a high level of comfort to our guests. The following information will assist you with some of the particulars.

**Flight Restrictions**

Royal Caribbean uses commercial airlines as well as charter air service. The airline tickets acquired by Royal Caribbean for our packaged air offerings are highly restrictive. For our Packaged Air and ChoiceAir offerings, the airlines providing your transportation may limit your ability to reissue, exchange or make changes to your airline tickets, and in some cases airline tickets are refundable only to Royal Caribbean. Some airlines do not provide reserved seating or award frequent-flyer miles on all flights or fares. Guests are responsible for all penalties or fees for changes to air transportation booked through Royal Caribbean. Such changes may also result in a different fare that must be paid by the guest. Cancellation of any Air Arrangements booking within 75 days prior to sailing (90 days for holiday sailings) will result in a penalty or cancellation charge of as much as 100% of the air charge. Any claims for lost luggage should be made directly to the airline. The lost-luggage rules apply to both our Air/Sea guests and our Cruise-only guests who do not use Royal Caribbean for their Air Arrangements. Royal Caribbean ChoiceAir and ChoiceAir Plus Programs allow for up to eight guests traveling together to book the same flights (based on airline availability). Nine or more guests traveling together may use ChoiceAir Plus or our Group Air programs.

**Private Transportation**

Sedans, SUVs and limousines are available to guests at most of our arrival and departure ports. Whether it is from home to the airport/pier or from the airport to the pier, a sedan, SUV or limousine is available. For more information visit the “Plan A Cruise” section of our website, [WWW.ROYALCARIBBEAN.COM](http://WWW.ROYALCARIBBEAN.COM).

**Luggage Valet Service**

Luggage Valet is a service offered onboard which enables guests to bypass traditional airport check-ins. Guests who participate will be processed onboard the ship and receive their airline boarding passes, luggage tags as well as baggage claim checks for their checked-in luggage. This service is available in these selected ports: Ft. Lauderdale, Miami, Port Canaveral, Seattle, Seward, and on these selected airlines: Air Canada, Air Tran, Alaska Airlines, American, Delta, JetBlue, Southwest Airlines, United and US Airways. Participating airlines vary by port. Consult the Guest Relations Desk onboard for specific port qualifications and additional information. An additional fee will apply.

**What About Guests With Disabilities?**

Royal Caribbean International welcomes guests with disabilities and works hard to assist them throughout their vacation. Guests should ensure that they are medically and physically fit for travel and that such traveling will not endanger their well-being or the well-being of others. Our personnel are not required to perform personal tasks (e.g., assisting with eating, dressing, toileting or lifting); therefore, guests who require assistance with these functions should consider these needs when making a booking. If there is a question regarding the guest’s fitness to travel without personal assistance, this must be discussed with our Access Department. While we do not require information about your disability, the more information you can share with us about your specific needs, the better we will be able to assist you. We encourage you to notify us of your needs at the time of booking; however, to guarantee availability of specific equipment or services, please provide:

- 60 days' advance notice for sign language interpreting services
- 30 days' advance notice for special equipment or services

Guests with medical concerns are advised to check with their physician before booking. The pre-departure offering may preclude guests from going ashore at certain ports of call. Alaska Cruisetours are accessible; however, other Cruisetours cannot accommodate full-time wheelchair users. Please contact the Access department to notify us of your accommodation needs.

**Designated Staterooms**

Accessible staterooms are offered on all Royal Caribbean ships in different categories. They are designed for guests with mobility disabilities and other disabilities that require the use of the accessible features of the staterooms. Accessible staterooms are held for people with disabilities until all other non-accessible staterooms in that category are reserved. Upon reserving an accessible stateroom, we require our guests to acknowledge in writing the need for an accessible stateroom by completing a Guest Special Needs Form. This form may be filled out on-line at [WWW.ROYALCARIBBEAN.COM/SpecialNeedsForm](http://WWW.ROYALCARIBBEAN.COM/SpecialNeedsForm). Guests without a disability booked in an accessible stateroom may be moved at any time to accommodate a guest with a disability.

**Assistive Devices**

Guests may bring and use onboard wheelchairs, mobility scooters and other assistive devices. Due to safety reasons, a Segway® may not be used onboard. Assistive devices, including mobility scooters, must be stored and recharged in staterooms so fire doors, corridors and elevator lobbies are kept clear for emergency evacuation. When parked throughout the ship, they must be parked out of the way to allow safe and easy access by other guests and crew members. Assistive devices should fit through a standard stateroom entry doorway which is at least 32 inches wide. We offer accessible staterooms with wider doors which are at least 32 inches wide and may accommodate larger devices. Crew members are not permitted to lift assistive devices.

**Oxygen**

Guests dependent on oxygen or requiring oxygen therapy must notify the Access Department prior to boarding the ship.

**Pregnancy**

Royal Caribbean® will not accept guests who will enter their 24th week of pregnancy by the end of the cruise or Cruisetour. Please contact us if you have already reserved your cruise and do not meet this requirement. A physician’s Fit to Travel note stating that you are in good health, not a high-risk pregnancy and not entering the 24th week is required. For details go to: [WWW.ROYALCARIBBEAN.COM/pregnancypolicy](http://WWW.ROYALCARIBBEAN.COM/pregnancypolicy)

**Infant Policy**

Infants sailing on a cruise must be at least 6 months old as of the first day of the cruise/ Cruisetour. For transatlantic, transpacific, Hawaii, select South America and other selected cruises/ Cruisetours, the child must be at least 12 months old as of the first day of the cruise. For details go to: [WWW.ROYALCARIBBEAN.COM/agepolicy](http://WWW.ROYALCARIBBEAN.COM/agepolicy)

Any Cruisetours associated with these cruises are also subject to the 12-month minimum age requirement. Denial of boarding for infants who do not satisfy these minimum age requirements may also result in the denial of boarding for one or more guests sailing with that infant. No refunds or other compensation shall be due from the cruise line to anyone as a result of the denial of boarding to an underage infant or other accompanying guests.

**Onboard Physicians**

Each Royal Caribbean® vessel is equipped with a medical facility. At least one licensed physician and two nurses are normally in attendance on all Royal Caribbean® cruises. Guests will be charged for medical services, and medications are available onboard for a fee. Guests may keep onboard limited medications, and guests must bring an adequate supply of any specific medications they need. The medical facility is not intended or designed to serve as a clinic for guests, and Royal Caribbean® is not responsible for the diagnosis, treatment or services furnished by shipboard medical personnel.

**What About Advanced Or Delayed Sailings And Changes In Itinerary?**

In the event of strikes, lockouts, riots, weather conditions or mechanical difficulties, or for any other reason whatsoever, Royal Caribbean may, at any time and without prior notice, cancel, advance, postpone or deviate from any scheduled sailing or port of call and may, but is not obliged to, substitute another ship or port of call and shall not be liable for any loss whatsoever to guests by reason of such cancellation, advancement, postponement, deviation or substitution.
